Giving Thanks

At Year's End 2024

*"If those who gain all they can,
save all they can, will likewise
give all they can; then, the more
they gain, the more they will
grow in grace, and the more
treasure they will lay up in heaven."*

- **John Wesley**

Individuals should consult professional
advisors regarding all appropriate matters.

**Christ United
Methodist Church**
Greensboro, NC

Celebrating the season
with grace, gratitude
and thanksgiving for blessings
received and blessings shared.

2024 CHECKLIST

- ✦ **Charitable gifts** must be completed by Dec. 31 to be deducted this year.
- ✦ For **gifts of cash** you may elect to deduct up to 100% of adjusted gross income (AGI).
- ✦ **A gift of appreciated stock** preserves cash and avoids capital gains tax.
- ✦ **Consider pre-paying your 2025 gifts** to boost deductions. Itemize every other year. Creating a **Foundation Donor Advised Fund** can be an ideal way to accomplish this.
- ✦ **IRA ROLLOVER GIFT:** If you are age 72+ and are required to take a minimum distribution (RMD) from your IRA, you can authorize direct gifts from your IRA to the church. You reduce your taxable income, and the distribution counts toward your RMD.

As we prepare for Advent and Christmas, consider how you can give back to the One who gave so much for you.

Our gifts are an act of worship in response to God's generosity - an expression of our faith.

Sometimes gifts at year-end are contributions to fulfill a pledge or long-term commitment. Other gifts are over and above our regular contributions, which help the church expand its mission and ministry.

And, at times, our gifts may be a way to honor a loved one or the memory of one who has joined the Church Triumphant.

Year-end is a wonderful time to give thanks, celebrate what God has done in our lives, and invest in the life and mission of our church.

WHY GIVE STOCK?

Appreciated stocks and mutual fund shares provide a cost-effective and savvy way to give.

EXAMPLE: Susannah wants to give \$10,000 to her church. She is in the 24% federal income tax bracket. She owns some stock valued at \$10,000 (\$9,000 of that is long-term capital gain).

	Option A - Sell stock & give cash proceeds	Option B - Gift stock to church through the Foundation
Current stock value	\$10,000	\$10,000
Capital gains tax (Fed 15%) + NC (5.25%)	\$1,823	\$0
Amount of Gift to Church	\$8,177	\$10,000

Your United Methodist Foundation processes stock gifts as a courtesy service for you and your church.
